"Airlite" Cellophane Pack - Since adopting our new cellophane pack for air shipments we have been able to cut air transportation cost to almost as cheap as railway express rates. Following are a few of the many favorable comments from customers:

Seattle, Wash: "This method of packing appears to be very satisfactory.

We believe you have something there."

Spokane, Wash: "Arrived very good condition, nice and moist."

Newark, Ohio: "The cuttings were in fine condition, very good method of packing."

Redwood, City, California: "Nice Cuttings, packing fine."

Sulphur Springs, Texas: "I think it a better way."

Yakima, Washington: "We like your method of packing."

SHIPPING DATES - Since our cuttings are taken from field-grown plants, we cannot accept delivery date before April 15th to May 1st.

SUBSTITUTIONS - We will substitute equal or better varieties for items not available, unless order is marked "No Substitutions!"
